ABOUT GRA

Grand River Academy is an all-boys boarding school located in Austinburg, Ohio, just outside of Cleveland, that specializes in activating the potential of young men academically, emotionally, and socially. Founded in 1831, GRA has a proven record of student success. By the time our students graduate, they are more than ready to continue their educational career beyond high school and find continued success in life.

Average Class Size of 6-8 Students

Dedicated Faculty live on GRA's campus and are always available to serve any student's unique needs

Beautiful 200-acre Campus

CAMPUS HIGHLIGHTS

Five dormitories, four academic buildings, a health center, and a gymnasium equipped with fitness and weight room

State of the art student center with auditorium, game room, technology center, and recording studio

ATHLETICS

Grand River Academy believes that a dynamic athletics, performance and wellness program is essential to the overall growth and development of all students. The Academy offers a variety of sports and afternoon activities including varsity soccer, basketball, and baseball.

STUDENT LIFE

Grand River Academy offers students a unique opportunity - to live at school amongst friends and teachers. Everything a young man needs to be successful is located in one place.

Students needing extra help after class or in the evening are able to meet face-to-face with their teachers; afternoon activities are just a short walk across campus; and friends living in one of our five dormitories makes after-school hangouts easier than ever.

Boarding at Grand River Academy means living in a welcoming, supportive environment surrounded by limitless opportunity!
